The Small Print

Please present this leaflet in-store when you place your order. We will ask you to pay a non-refundable deposit equal to 50% of the total order value. The balance need not be paid until you collect your outfits. The minimum party size is five adults and each outfit must include suit, waistcoat, shirt, cravat, handkerchief and Accidental Damage Waiver. The free outfit(s) will be the cheapest of your selection. You can make subsequent changes to your order which may affect the number of free suits on offer, up or down. All members of your party must have their initial fittings at least three months before your collection date, or within two weeks of ordering, if this is later. We can arrange fittings elsewhere around the country if this helps you. Please ask us for further details of this service.

Unfortunately we can't extend this offer to special order items, highland wear, evening wear or some of our "new season" or "prestige" ranges (ask in store). The offer applies to hired items only and does not include purchases. If you pay by credit card we will add a charge of 2%. This will not apply to debit cards. This offer can not be used retrospectively for existing orders or together with any other offer. We may withdraw it without prior notice.
